Testimonial for Exceptional Work

*To Rupal Thacker,
Youniverse*

*Rupal has amazing intuitive abilities that helped me
tremendously.*

*I must say that I was somewhat sceptical before our
session, but experienced great results, almost
immediately. She made me believe in self-love,
which was long missing in my life. Her healing not
only helps me in personal life, but also
professionally.*

*I would highly recommend her. I wish her luck and
success for her future.*

Thank you.
