## TESTIMONIAL

I'm Subham Balasaria, partner at Leatherman, a company dealing in all sorts of leather products such as laptop bags, handbags, belts, table-top items, wallets, purses & much more. We are in Kolkata since the past 45+ years.

This testimonial is for **Mrs. Rupal J Thacker**, the owner of **Youniverse**, a company specializing in Tarot card reading.

I have been knowing Rupal ji since the launch of our chapter BNI Trendz and was very eager to know about her business and methods. A month back, an incident had occurred which took a toll on me and my day to day life. Rupal ji was kind enough to notice the same and it took her two minutes to get me out of that zone and streamline my life back to better than normal.

I highly recommend her to all friends and family for all her efforts and the work she is doing. She heals in such a way that it will take a lot of effort from a person's side to face any similar issues later.

Thanking You,

Subham Balasaria
